Hi BEAD team,

I have scheduled a BEAD team meeting for this Thursday, 9/19, at 3 pm to discuss our next steps with aldicarb, specifically to project PCT for citrus in FL and TX.

For anyone who is interested, here are notes from a meeting about aldicarb on **Sept. 5**

Ex. 5 Deliberative Process (DP)

There was a follow-up meeting on **Sept. 10**. Here is a copy of Tim's notes from that meeting.
